Message from Fr. Peter

Saint Anthony Greek Orthodox Church
778 South Rosemead Boulevard, Pasadena, California, 91107 · 626.449.6943 · www.saint-anthonys.org

Have you ever dreamt of visiting Greece and experiencing the beauty and culture of that glorious land? Greek culture has made a lasting impact on the world since ancient times: from the alphabet to the spoken word, economics to politics, philosophy to religion, mathematics to medicine, architecture to sport. In fact, everywhere we look in the modern world, we still see the influence of Greek culture. Plato, Socrates, Alexander the Great, Pythagoras, the Spartans...what a tremendous heritage!

Beyond these things, the Greeks are also known for their warm, welcoming hospitality, *philoxenia*. If you are Greek or have Greek friends, you know firsthand that Greeks are truly loving and giving people. For the weekend of September 22-24, we invite everyone to enjoy this warm hospitality for yourselves; to eat, dance, laugh with your family and friends — "be Greek." Rather than a 14-hour trip to Athens, just take a short drive to join us for the 59th Annual Pasadena Greek Fest. I promise you will never forget it. Come and be a part of the fun!

Faithfully,

Rev. Fr. Peter Stratos

The Greeks came into being, and the world, as we know it, began. Somewhere among the steep stone mountains and the little sheltered valleys, the joy of life found expression. -Edith Hamilton

Menu

FEST FAVORITES

Gyros
Beef and lamb pita sandwich
with tomato, onion, and tzatziki

WE APOLOGIZE IF WE MISSED ANY OF OUR SPONSORS.

Welcome to the 2017 Pasadena Greek Fest!

We are always thrilled to see familiar faces and meet so many new and wonderful people from our surrounding community.

Please be sure to enjoy all that our wonderful festival has to offer, and come visit us in the church for one of our church tours!

May God's blessings be with you always.

With love in Christ,
Fr. Christopher Retelas

We celebrate the generations who came before us at Saint Anthony's and made our future possible.
